

Annual Statewide Retreat – June 13, 2009 @ Campbell’s Resort, Chelan

Objectives: As a result of participation in this retreat, the participants will:

- ✓ be inspired to continue their work in improving surgical care
- ✓ be able to identify at least one metric their team will work on in 2009
- ✓ identify at least one improvement they will make in their ongoing work
- ✓ describe the business case for SCOAP participation
